Nilesh Lad

nileshlad871@gmail.com | (+91) 9702341172

EDUCATION

- ❖ Computer Engineering | Vidyalankar institute of technology, Mumbai   CGPA: 9.70
- ❖ XII (HSC) | K. V. Pendharkar College, Dombivli   *64.62% | 2020*

PROJECTS

- ❖ **Movie Library | TMDB API, React.js, Node.js, MongoDB, BootStrap**
  A collection of various movies are fetched from **TMDB API** and shown on a web page using **React.js**, user can find all information from cast to trailer on this website also search and filter functions are available, for storing user detail and their watchlist and comments I use **MongoDB** as database

- ❖ **Online Music Player** (Group Project) **| HTML5, CSS3, JavaScript**
  The objective of the Online Music Player Project is to manage the details of Music, albums, Album types, etc. The project aims to build an application program to reduce the manual work of managing the music, performer, and album.
  My Role in this project is to write Javascript and Some UI for the project.

- ❖ **Travel & Tourism Management System** (Group Project) **| Java Swing, MySQL workbench**
  The objective of the Travel and Tourism Management System is to develop a system that automates the processes and activities of a travel and the purpose is to design a system using which one can perform all operations related to traveling.
  My Role in this project is to connect the project to the MySQL workbench database.
